

Ergonomic Workstations For Your Welding Needs

Made
In The
U.S.A.

UNIDEX's line of ergonomic welding positioners and cylinder handling carts is about to raise the level of safety and performance in your shop!

AHSC Series Workstation

This workstation offers a compact, ergonomically correct solution for positioning workpieces weighing up to 200 pounds. Air over oil hydraulics controlled by a foot pedal, provide smooth, hands-free vertical height adjustment of up to 48". An Autoblock™ feature prevents operator injury and product damage if loss of air should occur. A variety of attachments, including electric powered rotary tables, right-angle fixtures, grippers and other load engagement devices may be easily interfaced. Workpiece access can be available from virtually any angle. Great for welding positioners.

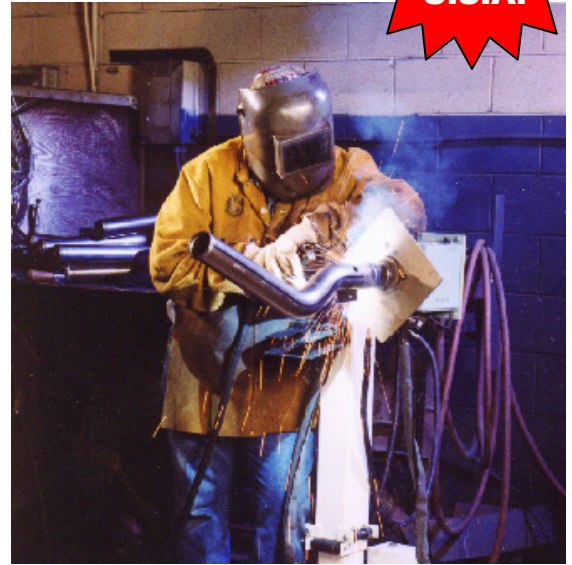

TL Series Workstation

For flexible, accessible workpiece handling not attainable with scissors style lifting tables, TL Series Workstations feature an electric-hydraulic lift system with powered part rotation on two or more axes. Load capacities of 500 pounds or more are available. Numerous clamping possibilities provide for the effortless handling of a wide variety of product configurations. Control options include dual palm buttons, hand held pendant and foot pedal operation. Added safety features such as interlocked light curtains, tape switches and mats may also be specified.

Tanks-A-Lot Cylinder Transporter

For highly maneuverable lifting, transporting and placing gas cylinders. The unit accommodates cylinders up to 13" in diameter. A cylinder is clamped securely in place with a ratchet/strap holding device. Foot pedal hydraulics provide 14" of smooth, hands-free cylinder height adjustment. Lowering speed is adjustable. Tanks weighing up to 250 pounds can be easily accommodated. Total locking casters in rear.

All UNIDEX workstations are designed and manufactured in the USA to exacting quality standards from welded carbon steel construction. Each unit receives a durable, baked-on powder coat finish, and undergoes rigorous quality testing before shipment.

*Quantity discounts available. Other custom features available, please call us to discuss your exact needs.
Payment can be made using American Express, MasterCard and Visa credit cards.*
